

Lindsay Boone is a Technical Specialist with PACE Analytical. Her primary focus for the past several years has been on PFAS. She has worked with numerous drinking water and wastewater professionals on a wide array of PFAS related issues such as sampling techniques, lab report interpretation, and analytical methodology selection. Lindsay has worked at various environmental laboratories, life sciences, and analytical instrumentation manufacturer companies. She earned both her BS and MS degrees in chemistry at University of North Carolina Wilmington. In her free time she enjoys boating and hanging out on the beach with her friends, family, and Great Dane "Bo".
